Capt. Serv. Co.
372nd Inf.
Fort Dix, New Jersey.

Dear Capt:

It was very nice to get your letter informing me of the arrival of your company in camp.

I had just written Colonel Gilbert a few days ago extending an invitation to the entire regiment to attend the opening game in Newark Sunday, May 11th between the Newark Eagles and Cuban Stars. I had planned that some day soon to try and make a trip to Camp and meet the Colonel in person. If you can assist me or make any suggestions to help in making the final arrangements for the acceptance of the invitation, I would appreciate very much hearing from you.

Again thanking you for your letter.

Very truly yours,
